Declarations

Data Protection Act 2018

The Data Protection Act controls how your personal information is used by Lets for Life.

We are responsible for using data and have to follow strict rules called 'data protection principles'. We must make sure information about you is:

- used fairly and lawfully
- used for limited, specifically stated purposes
- used in a way that is adequate, relevant and not excessive
- accurate
- kept for no longer than is absolutely necessary
- handled according to people's data protection rights
- kept safe and secure
- not transferred outside the UK without adequate protection

Permission to obtain and share information

By signing this document, you allow Lets for Life to hold personal information about me, and they can obtain and share information about me from others, in accordance with the Data Protection Act 2018, for the purpose of assisting with my housing and related issues.
